

Arran Locality Partnership

Building baseline
Profiles for the Locality
Partnership

Arran – What the Profile will cover?

- Priorities from workshops & People's Panel 2015
- Population change – from 2012 to 2026
- General health & life expectancy
- Household Incomes
- Education - results at key stages
- Housing – average house prices
- Key strengths and needs

Priorities from People's Panel & workshops

(2015)

People's Panel

- 2000 North Ayrshire residents surveyed every 2 years with follow-up focus groups.
- Question “*What are the most important aims for partnership working in North Ayrshire*”
- The aim “**We live our lives safe from crime, disorder and danger**” was selected by the greatest number of respondents as one of their top 5. It was also more likely to be selected as the most important.
- In the Arran **45%** of respondents selected this aim as *one of* their top 5 aims.
- However a higher proportion of Arran residents (55%) selected “**Our young people are successful learners, confident individuals, effective contributors and responsible citizens**” as their top aim

Percentage of Arran respondents selecting priority as a top 5 aim

Locality Planning workshops

- The workshops generated 943 comments from over 150 people who participated.
- Workshops consulted on the membership, role and responsibilities of new Partnerships:
 - Are these the right people? Anyone missing?
 - Are these a fair set of responsibilities? Anything missing?
 - What should be the role of Partnerships in the development and delivery of Locality Plans?

Summary

Strengths & Needs

Summary

Strengths

- Lower negativity in relation to Locality Planning Approach
- Lowest projected increase in residents aged over 65 (+15%)
- Some of the highest life expectancy in North Ayrshire
- Strong educational attainment in Lamlash

Needs

- Overall population decrease of a quarter projected to 2026
- Largest decline of working age and school age residents in North Ayrshire to 2026
- Highest house prices – less affordability
- Rural pockets of lower household incomes

Next steps
