The plan and the appendices that support it are available on our website:

You will find more detail on the supporting thematic plans, how we developed the plan, and the supporting analysis.

Our six Locality Partnerships agreed their local priorities in 2017. These tie into the LOIP themes and priorities.

Our partnership vision is **North Ayrshire – A Better Life**
To achieve this we need to make sure that life is “**Fair for All**” in North Ayrshire. Fair for All is our strategy for promoting equity. The key pledge within Fair for All is:
“**North Ayrshire CPP pledges to tackle the root causes of child poverty and mitigate its impact to create a better life for local people.**”

Underpinning this we have four priority areas:

- A **Working** North Ayrshire
- A **Healthier** North Ayrshire
- A **Safer** North Ayrshire
- A **Thriving** North Ayrshire – Children and Young People

Our cross cutting themes influence our approach to these priorities:

1. Building stronger communities
2. Prevention

It sets out what we will achieve in partnership and how we will do this.

For example:

We will achieve inclusive growth - An area where all sections of the community aspire to achieve and benefit significantly from economic growth

We will support improved mental health and wellbeing

We will reduce levels of domestic abuse and give a higher level of support to victims

We will prevent smoking, drinking and taking substances at an early age
