Reporting Period – June-Sept 19

## General

Joint Cabinet was held in Largs Academy in June. This went very well with over 70 young people participating, discussing the key themes as well as asking the cabinet questions. Report has been written on this.

Skelmorlie Youth Group held a fun day at the Community Centre in August. Despite the atrocious weather it went very well with around 150 people attending. They made around £100 in donations. There were some great comments made on the day about how good the event was and how the community needs it.

Some youth work took place during the summer hols in Largs. This was a partnership between Community Development, Police Scotland and KA Leisure. It ran alternative weeks – one week being basketball on the Wed night the other week being football on a Fri night. Numbers attending fluctuated but overall it was a good event and some good partnership work. At the end of the programme there was an event with BBQ held. Again the weather wasn't great so affected what could be done.

Your Voice Your View sessions have now been completed across North Ayrshire. Information has been gathered. Due to go back out to the communities with a draft plan throughout September.

## Social isolation – older people

### Update

Cycling without age project looks like it's going well. Have been out on a few trial runs and training up volunteers. Cllr Joe Cullinane is looking to meet up with the group to discuss the project as it was CIF funded.

Louise & Cllr Hill to meet to look at how to take this priority forward.

A new group called "Opening the Shutters" has been developed in partnership with the Community Link Worker in Largs. The group has ran a few times now with over 20 people attending. The first session was held at a local Café in Largs but the group had decided that it wasn't comfortable. The venue has now been changed and meetings take place in the Largs Library. The group started off running every 2 weeks but will now meet weekly (except from the 1<sup>st</sup> Mon of the month when the library isn't available).

West Kilbride Adult Education Committee held their enrolment session. This was very well attended with people signing up for various classes.

## Stress and anxiety – younger people

### Update

Clearer Minds Project going really well. The lead of the council is going to meet Corrie and the guidance teacher at Largs Academy on 23 Aug to see how the project is going and how the funding has helped.

**Subject:** *Youth Forums and Citizenship and Partnership work*

**Purpose:** *This report is to inform the North Coast Locality Partnership about Youth Forum, Youth Citizenship/Partnership activity, planned and actual for the North Coast Area.*

## **Background**

*The Skelmorlie Youth Forum have stopped operating. This is due to the young people concentrating on their exams at school. We will be looking to start a north coast youth forum when the schools return in Mid-August. The group will have representation from the north coast as a whole. The meetings will be held at the Largs campus after school, 1 day a week.*

*The Skelmorlie Family Fun information day went ahead as scheduled on 11<sup>th</sup> August. The young people from the group worked hard with the planning of the event also the running of the event on the day.*

*Although the weather was against us, we still had around 150 people of all ages attend. There was plenty of activities for all to get involved in even though we didn't get full use of the inflatables outside due to the weather. We also had plenty of information stalls of groups that run in Skelmorlie and surrounding areas. On top of that we had schedules on the walls of community groups that run in Skelmorlie village hall, the Brisbane centre in Largs and Fairlie community centre.*

*We hope off the back of this event that people have seen some groups that might interest them and get involved in some capacity.*

*The youth fest was a great success this year again. Over 100 young people in attendance from all localities throughout North Ayrshire met at Kelburn Country Park for our annual event. Packed with activities, workshops and competitions, there was fun had by all*

*The 2-young people from West Kilbride who were involved in the planning of the event were also heavily involved at the festival itself. They were helping with the delivery of some of the workshops and helping with the setup of other activities.*

*The main focal point of the festival is bringing the young people together to interact and work together, make new friends and most importantly to have fun.*

*A massive success.*

**LARGS COMMON GOOD FUND  
APPLICATION FOR FINANCIAL ASSISTANCE 2018/19**

**Common Good Criteria -**

The application should benefit all or a significant group of the inhabitants of the area to which the Common Good relates

Applicant	Purpose of Grant	Amount Requested	Previous Common Good Awards
Viking Bridge Club	Funding towards purchase of a Bridge Scoring System. <ul style="list-style-type: none"> <li>• Bridge Scoring System - £2,141</li> </ul>	£1,500	No previous awards

Economy & Communities, Finance & Corporate Support, and Legal Services have been consulted and their comments are as follows:

**Finance & Corporate Support:**

Finance have reviewed the application and have no objections

**Legal:**

In terms of Section 15(4) of the Local Government Etc (Scotland) Act 1994 the Council in administering the Common Good Fund shall have regard to the interests of the inhabitants of the area to which the common good relates.

It is not clear in this case that the application can be justified in terms of Section 15(4). In particular, a grant payment to a private club could not normally be justified.

If the Committee is minded to grant funds they must be satisfied that the grant of the funds would be to the benefit of the inhabitants of Largs as a whole and must clearly minute the benefit to the community as it is likely that the auditor will require this information.

**Economy & Communities:**

Economy & Communities are unable to support this application as group membership is restrictive and not an open membership.
