| | With regards to the issue of the abandoned van in the chip shop car park, Sgt Murdoch | | | | |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|--|
| | advised the vehicle was taxed, MOT'd and insured. The owner had been made aware of concerns raised. | | | | |
| 6. | Guest Speaker – Sam Hodkinson, Community Link Worker Ms Hodkinson had put in apologies but submitted some notes to be read out. | | | | |
| | Community Link Workers have a noticeboard in the practice waiting room and information on GP TV screens. They have started a newsletter for the practice (a copy has been added to K&GCC website and Facebook page). They have surgeries on a Monday with appointments lasting up to 45 minutes. They also have home visits on a Thursday afternoon. | | | | |
| | They are getting more self-referrals along with referrals from the wider practice team. Referrals are up across the service by 35% on last year and engagement has improved by 25%. The team continue to community map across all the localities, which helps populate our website, Carena (Care and Support North Ayrshire) and our Facebook page highlighting community news and events. | | | | |
| 7. | Correspondence Alison McAllister – Stoneyholm Mill are taking part in Doors Open Day on 8 Sept. They also agreed to come to our September meeting. Kilbirnie Medical Practice Newsletter Garnock Valley Summer Youth Programme Gillian Macfarlane – Mental Health First Aid Melanie Anderson – Scottish Ambulance Service Clinical Response Model | | | | |
| 8. | Planning Applications Installation of a mural on gable end of building to include the siting of a bench and two planters on the adjacent land Application supported. Cllr Dickson asked for letters of support to be sent to NAC Planning as usually they only get letters of objections to proposals Alterations to form sun room to detached dwelling house (High Stane House Kilbirnie Ayrshire KA25 7LE) No objection Appeal: Wind turbine We continue to object to the siting of the turbine on environmental grounds. One positive suggestion made was that the developer may wish to consider building multiple, smaller turbines in Lochshore area. | | | | |
| 9. | Updates There were no additional updates to be covered | | | | |
| 10. | AOCB | | | | |
| | Film Club – next meeting is on Fri 28th May in the Scout Hall. The movie will be "Ice Age 5". | | | | |

- A discussion took place about the state of the roundabout in Kilbirnie cross. Previously, there had been an extensive consultation done on what to do there but it was felt that the final result did not match the proposal from the consultation. This was put down to a miscommunication but it also left a view of scepticism about the value of further consultations if NAC were going to carry on with their own plans, regardless
- Following on from this, ClIr Reid advised that there had been discussions about maintaining the roundabout near Beith Quarry on the A737. Mr Gibson advised that there had been a meeting of the A737 Action Group to discuss how to improve the A737. As Kilbirnie does not sit directly on the A737, we had not been previously invited but he believed that if we wished to get involved then we would be welcome to do so. Their next meeting is on Fri 16th August at 2pm in the Boarding House, Howwood.
- Although not yet advertised on NAC's website, the Main Street will be closed for resurfacing between 8th - 12th July. Mill Road has recently been resurfaced and will likely be the diversion route.
- There were positive reviews from the recent Volunteer of the Year presentation, including the venue. Thanks to ClIr Reid for being our guest speaker.
- A question was asked about a sandstone mural outside the former Kilbirnie Housing Office. Although the building is to be re-purposed, neither Cllrs Dickson nor Reid were aware of any plans to change the front of the building.
- The mural in the Walker Hall was again mentioned. There are no plans to take any action. It was suggested that a local community group could apply for funding to pay for restoration.
