Mary Gemmell gave a presentation of her plans and proposals for the future of the Early Years Nursery which has been in operation for a number of years but has had difficulty finding suitable accommodation in Dalry. They currently operate from the Community Centre but seek a permanent suitable premise. Mary outlined a plan which she thinks would be suitable for a permanent home for the organization. This would incorporate the current stage area and area behind the stage. In this regard Mary is hoping to raise £200,000 to finance the project. Other suggestions are being considered and it was suggested by Jim Dippie and others that the stage is utilized and required from time to time by other organisations. It was also suggested that a new Community Centre for Dalry is long overdue.
