

North Ayrshire Community Support Hubs

If you need help with things like getting food, making sure you have enough money, getting your prescription or your wellbeing you can get in touch with us. The hubs are not open for the public to visit but are a base for a small coordination team of volunteers, North Ayrshire Council and Health and Social Care Partnership staff to operate from. They are working alongside the specific community initiatives underway.

Regular updates on the range of local support available is on our website:

The **minimum** opening hours for phonelines are **10am to 1pm Monday to Friday**. Local arrangements outwith these times will vary. Please leave a message and we will get back to you.
