LOCAL PRIORITIES

TELL US WHAT YOU THINK

www.nay.communitychoices.scot

What are locality priorities?

A key focus for partners to work on together at a local level.

Why are we looking at these priorities again?

We want to check that they are still relevant to local needs and aspirations.

What should locality priorities be?

Themes that tackle local inequalities and where partners can add most value.

What is the process for developing priorities?

Through Locality Partnerships, research and analysis, public input.
