

North Ayrshire
Community Planning Partnership

Development of Local Outcomes Improvement Plan 2022-2030

October 2021

Consultation Mandate

We:	North Ayrshire Community Planning Partnership
Need to understand the views of:	North Ayrshire residents, businesses and community groups North Ayrshire Community Planning partner organisations
Concerning:	The priorities to be addressed through the Local Outcomes Improvement Plan 2022-2030
So that:	North Ayrshire Community Planning Partnership can, following consideration of the consultation responses, finalise, approve, adopt and implement the plan and its subsequent actions
By:	March 2022
So as to accomplish:	The completion of a robust and comprehensive engagement and consultation process which enabled communities and organisations to genuinely influence the decision-making process resulting in a locally relevant plan for North Ayrshire.
We will do this through/methodology:	Stakeholder Reference Group Online feedback through CONSUL platform Online questionnaire Telephone call backs Email comments Postcards at local libraries Existing youth engagement mechanisms Peoples Panel survey (paper copy and online) Existing locality engagement mechanisms
Support required and from whom:	Community Planning partners Locality Partnership members Community organisations
