- Ayrshire Growth Deal update will be brought to the September 2021 Board meeting.
- An update in relation to the Locality Priority refresh will be provided at today's meeting.
- Draft Local Police Plan was uploaded on to the CPP Consultation Hub, presented to three of the six Locality Partnerships, circulated to the other three Locality Partnerships and underwent a Health Inequalities Impact Assessment and approved by the Police and Fire and Rescue Committee.
- A Sutton confirmed that she had met with D Frew around the Children's Services Plan.
- Cost of the School Day Conference will be held on 11 June with the launch of the strategy.
- Multi-agency locality working update will be brought to a future Board meeting.

3. Children's Services Strategic Partnership

A Sutton provided the Board with an update on the Children's Services Strategic Partnership.

A Sutton conveyed her thanks to L McMath for the co-ordination of this this work.

A Sutton advised the Board that the process of Children's Services Planning has been reviewed and streamlined during 2019/20 and 2020/21. A diagram within the papers shared with the Board demonstrated the representation of the key elements of Children's Services Planning. This also links the Children's Services Plan, Children's Rights Report, Youth Participation and Citizenship Strategy and the Child Poverty Action Plan and Report into one suite of planning documents and ensures a co-ordinated and strategic approach.

A Sutton highlighted that the Children's Services Executive Group, which brings together Heads of Service from Communities and the Health and Social Care Partnership has been meeting regularly and have agreed to five workstreams being set up. Each workstream will be chaired by a Senior Manager from Education, Connected Communities or the Health and Social Care Partnership. The workstream groups will take forward specific pieces of work and report progress to the Children's Services Executive Group. The five workstreams are:

- 1. Children and Young People Community Mental Health and Wellbeing Supports and Services Framework**
- 2. Review and evaluation of Named Person Service**
- 3. Multi-agency and Locality Working**
- 4. The Promise (informing our response to the National Independent Care Review)**
- 5. Planning for transition to adult services**

A Sutton highlighted that the Children's Services Plan 2020-23 would be updated annually to reflect the current context and to ensure that our strategic direction is clear. The updated Plan

will be presented to Cabinet and IJB in June 2021 and a copy will also be circulated to The Board.

The Chair thanked A Sutton for her update.

4. Youth Participation and Citizenship Strategy

D Anderson delivered a presentation on the new Youth Participation and Citizenship Strategy. The new 2021 – 2025 strategy has been approved by the Council's Cabinet was officially launched on 25 May 2021 at the Joint Cabinet meeting.

D Anderson also provided Senior Officers with some highlights from the last strategy and the impacts made:

- **13 Ways Campaign** - A series of blogs and animations all about positive mental health, supporting your friends and seeking help if you are struggling. The blogs also housed a number of useful resources for young people to get the right help and support.
- **ADP Alcohol and Drugs Project** - This was codesigned by young people looking at tackling the stigma around drugs and alcohol.
- **Child Centred Council** – Young people consulted on decision making which affects them.
- **Period Poverty** – Free access to sanitary products in all North Ayrshire schools and public buildings.

The new strategy is focused on four main themes:

- **Health and Wellbeing** - Is at the forefront with mental health a concern for young people. In 2020 the team were successful in securing £60k from the Youth Work Recovery Fund to support this work.
- **Poverty and Inequality** – Young people have been heavily involved in the Cost of the School Day work and are part of the working group.
- **Young Peoples Voice and Rights** – Ensuring that they are embedded in the work we do.
- **Digital Connections** - Highlighted as a priority during the pandemic.

D Anderson advised that the new strategy doesn't just focus on youth work as all decision makers have a duty to meaningfully engage with young people. She also advised that services have adapted well during the pandemic. In terms of youth engagement, the team would like to expand on this more to ensure all young people are heard.

D Anderson highlighted that another topic a lot of young people are very passionate about is climate change and these themes will be focused on in relation to climate change:

- Young peoples voice and engagement
- Training for Campaigners
- Awareness Raising and Positive Action
- Working Locally, Nationally and Internationally
- Volunteer Opportunities
- Legacy

In terms of the next steps, there is a need to strengthen the structures already in place, such as refreshing Pupil Council, Joint Cabinet and youth forums to ensure they are up to date.

D Anderson encouraged the Board to sign the Pledge.

C Turnbull asked D Anderson the age range of young people covered by the strategy. D Anderson confirmed that young people age 12 – 25 are included.

L Bowie asked D Anderson how the team measure engagement. D Anderson advised that they have their core groups and Youth Cabinet (with changing membership). However, the team are looking at new ways to engage with those hard to reach groups. D Anderson highlighted that she would like to see Pupil Councils more involved.

M Burns highlighted that a young person from Irvine Youth Forum attends the Irvine Locality Partnership and they have just successfully secured a CIF bid for a project. M Burns asked is there more Locality Partnerships can do. D Anderson confirmed that the service will continue to develop these links.

A Sutton highlighted that the work we all do is underpinned by children's rights. A Sutton advised that she is taking a paper to the Council's Executive Leadership Team on how we ensure the Council are responding adequately and beyond to the UNCRC. A Sutton commented that the legislation is demanding and advised that this is something that should be brought back for discussion at the CPP Senior Officers Group and Board.

The Chair highlighted that he agrees that this should be brought to a future meeting.

F Hussain advised that Police Scotland will be signing the pledge and that he would be keen to meet with NAC officers around young people's voice and rights. D Anderson confirmed that she would be happy to meet and also suggested having this as a topic for the next joint cabinet live.

The Chair thanked D Anderson for her presentation.

5. Locality Priorities

M Rae provided the Board with an update on the work on the Locality Partnership priority refresh. A 14 week public consultation process has taken place. M Rae has also drawn from other research such as the People Panel survey and strategic needs assessment. At the Locality Partnership meetings M Rae highlighted that the focus should be on the local inequalities that the Locality Partnership wants to address and where can the Locality Partnerships best add value. Both the Kilwinning and North Coast Locality Partnership meetings have taken place with the four remaining Locality Partnerships meeting next week. M Rae advised that once this work is complete, an update will be shared with the Board.

The Chair thanked M Rae for her update.

6. LOIP and Fair For All Performance Report

M Rae provided the Board with a presentation on the LOIP and Fair For All Q4 Performance.

M Rae provided a brief update on each of the LOIP themes. M Rae highlighted that a more detailed performance report will be shared with the Board in due course:

The Chair thanked M Rae for her presentation.

7. Workshop Session

The Board split in to two groups and each attended two workshop sessions.

Workshop 1 – North Ayrshire Drug and Alcohol Partnership. This was led by Billy Brotherston, Chair of North Ayrshire ADP and Rosemary White, Lead Officer. The workshop focussed on the strengths, weaknesses, opportunities and threats in relation to alcohol and drugs and impact on our community, and what can the ADP do to work more closely with Community Planning.

Workshop 2 – Skills Development Scotland. This workshop was led by Clair Tooze and focussed on the Career Review, a collaborative, evidence-based review of all careers services in Scotland.

8. Young People’s Suicide Taskforce

K Calderwood and S Watts delivered a presentation on the North Ayrshire Young People Suicide Prevention Taskforce.

Over an 18-month period between 2017/2019 a number of young teenagers died in North Ayrshire. After the initial deaths, the Child Protection Committee Chair co-ordinated a response and a Young People’s Strategic Suicide Prevention Group (YPSSPG) was formed.

To support the Strategic Group an Operational Group was created to implement any actions. K Calderwood/S Watts highlighted that going forward, a new action plan will be created. This will continue to use data to better inform outcomes and highlight issues. A significant area of work will be how they support everyone who has been affected.

The group will also continue to review the crisis response document ensuring it is kept relevant and up bring to the group any death by suicide which may have an impact on young people e.g. a teacher or sports coach or a celebrity etc.

The Chair thanked K Calderwood and S Watts for their presentation.

Subject: Community Justice Ayrshire Update

Purpose: To update the CPP Board on the Ayrshire Community Justice Outcomes Improvement Plan (CJOIP), the review of Operating Arrangements around Community Justice Ayrshire (CJA) and next steps for the partnership.

BACKGROUND

Community Justice Outcomes Improvement Plan

1. The Community Justice (Scotland) Act 2016 requires Community Justice Partners from each Local Authority area, to produce a Community Justice Outcomes Improvement Plan (CJOIP), highlighting how they intend to work together to reduce re-offending. Each CJOIP must be underpinned by an evidence base to identify local needs and priorities through a Strategic Needs and Strengths Assessment (SNSA). Partners must report against both nationally and locally determined outcomes and report annually on progress. The Ayrshire CJOIP 2018 to 2021 was published on 1 April 2018.
2. On 15th December 2020, the CJA Board agreed for the current CJOIP 2018 to 2021 to run until the end of 2021, due to the impact of Covid-19 on the delivery of outcomes.
3. In May 2021, the Scottish Government (SG) and Community Justice Scotland (CJS) issued a joint statement in relation to the review of the National Strategy for Community Justice and review of the Outcomes, Performance, and Improvement Framework (OPIF). It highlighted the legislative requirements and timescales around the review and potential revision of these documents. If both are revised, the expected publication will be around April 2022. SG and CJS have advised that local Community Justice Partnerships take a pragmatic approach and consider delaying publication of their CJOIP's, as local plans are required to be revised following publication of these documents.
4. On 21st June 2021, the CJA Board agreed to delay publication of the Ayrshire CJOIP until after April 2022, to ensure it reflects the potential new Strategy and OPIF. To comply with the legislative requirements of the Community Justice (Scotland) Act 2016, a position statement has been published on the CJA website outlining the decision taken by the CJA Board not to revise the Ayrshire CJOIP at this time. [Final-CJOIP-Position-Statement-for-Publication-07-07-21.pdf](https://communityjusticeayrshire.org.uk/Final-CJOIP-Position-Statement-for-Publication-07-07-21.pdf) (communityjusticeayrshire.org.uk)

Review of Operating Arrangements

5. The current operating arrangements for the CJA were agreed in 2015. Since then, several changes have occurred both in community justice and wider community planning arrangements. On 29th March 2021 the CJA Board agreed to a review of the operating arrangements, to ensure the right structure is in place for a successful partnership going forward.
6. In undertaking this review, the following tasks were carried out:
 - **Benchmarking against other Local Authority Community Justice Structures:** All Community Justice Partnerships (CJP) across Scotland have placed their governance arrangements within community planning structures, but how they deliver their statutory functions is varied. The CJA Partnership is the only CJP which works across Local Authority boundaries.
 - **Review of Current CJA Partners:** This showed disparity across the three Local Authority areas.
 - **Partners Survey:** Partners were asked to complete an anonymous online survey outlining their experience of being part of the CJA Partnership.
 - **Partners were asked: Could an overarching Pan-Ayrshire CJOIP which also sets out local authority delivery plans be an approach that could be considered?** 87% of participants answered YES.
 - **Development of Proposed New Structure:** A proposed draft new structure for the CJA Partnership was developed (**Appendix A**). This new structure aims to build on existing success and ensure that those who have a stake in community justice feel part of our partnership; improve links with other strategic groups relating to community justice, through better alignment within Community Planning arrangements; retain a Pan-Ayrshire approach, whilst enabling specific local issues to be addressed in a more targeted way; allow for better accountability / reporting of outcomes and oversight of the work of the Partnership by the Board and each Statutory Partner.
 - **Partner 'Have Your Say' Session:** Partners were invited to attend a workshop to discuss the review of the Partnership and the proposed new structure. Partners were split into groups and taking a SWOT analysis approach, discussed the proposed structure.
7. On 21st June 2021, the CJA Board considered the information provided in relation to tasks undertaken during the review of the current Operating Arrangements. The Board agreed for the current document to be revised in line with the evidence presented, for further consideration at the next Board meeting on the 29th September 2021.

Next Steps

8. Following publication of a new National Strategy and OPIF for Community Justice, the CJA Partnership will publish a new CJOIP for action from 2022 onwards. Work is currently underway to provide an evidence base, through our Strategic Needs and Strengths Assessment which will inform this new plan. Other key areas of focus for the Partnership in the coming months are:
 - Communications and Engagement

- Rebranding / Website Redesign
- Effective Leadership and Governance
- Service User Involvement
- Annual Reporting
- Whole System Approach for Women
- Multi-Agency Training Opportunities
- Multi-Agency Community Reintegration
- Covid-19 Recovery

RECOMMENDATIONS

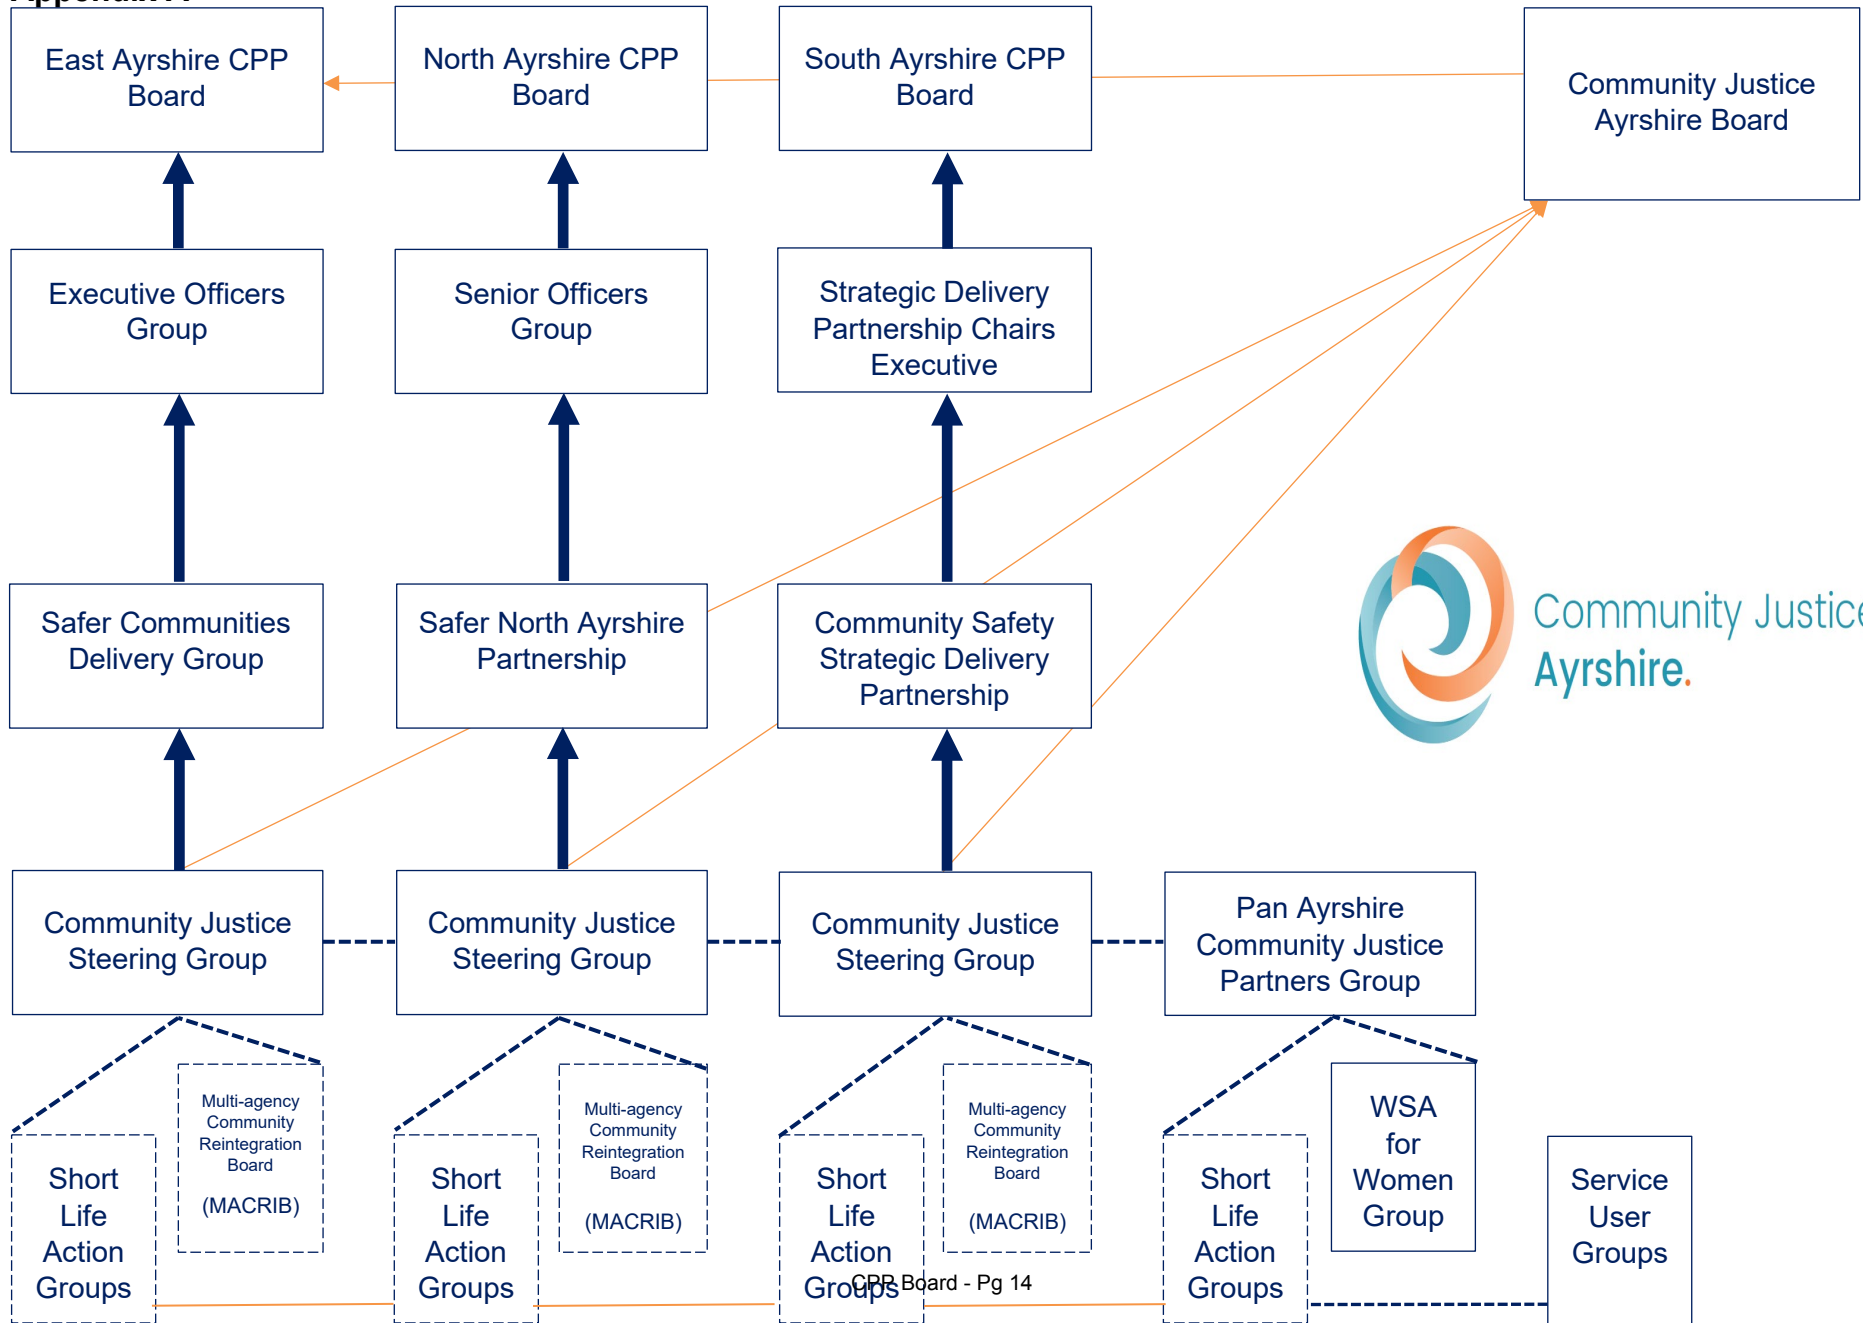

9. It is recommended that members of the CPP Board:
