

INTRODUCTION

North Ayrshire Council is planning to redevelop the former Kings Arms Hotel and Public House. The new development will provide six amenity flats. The one and two bedroom accessible homes will be located in the heart of Irvine Town Centre.

The building is Category 'C' listed and sits within the Town Centre Conservation Area.

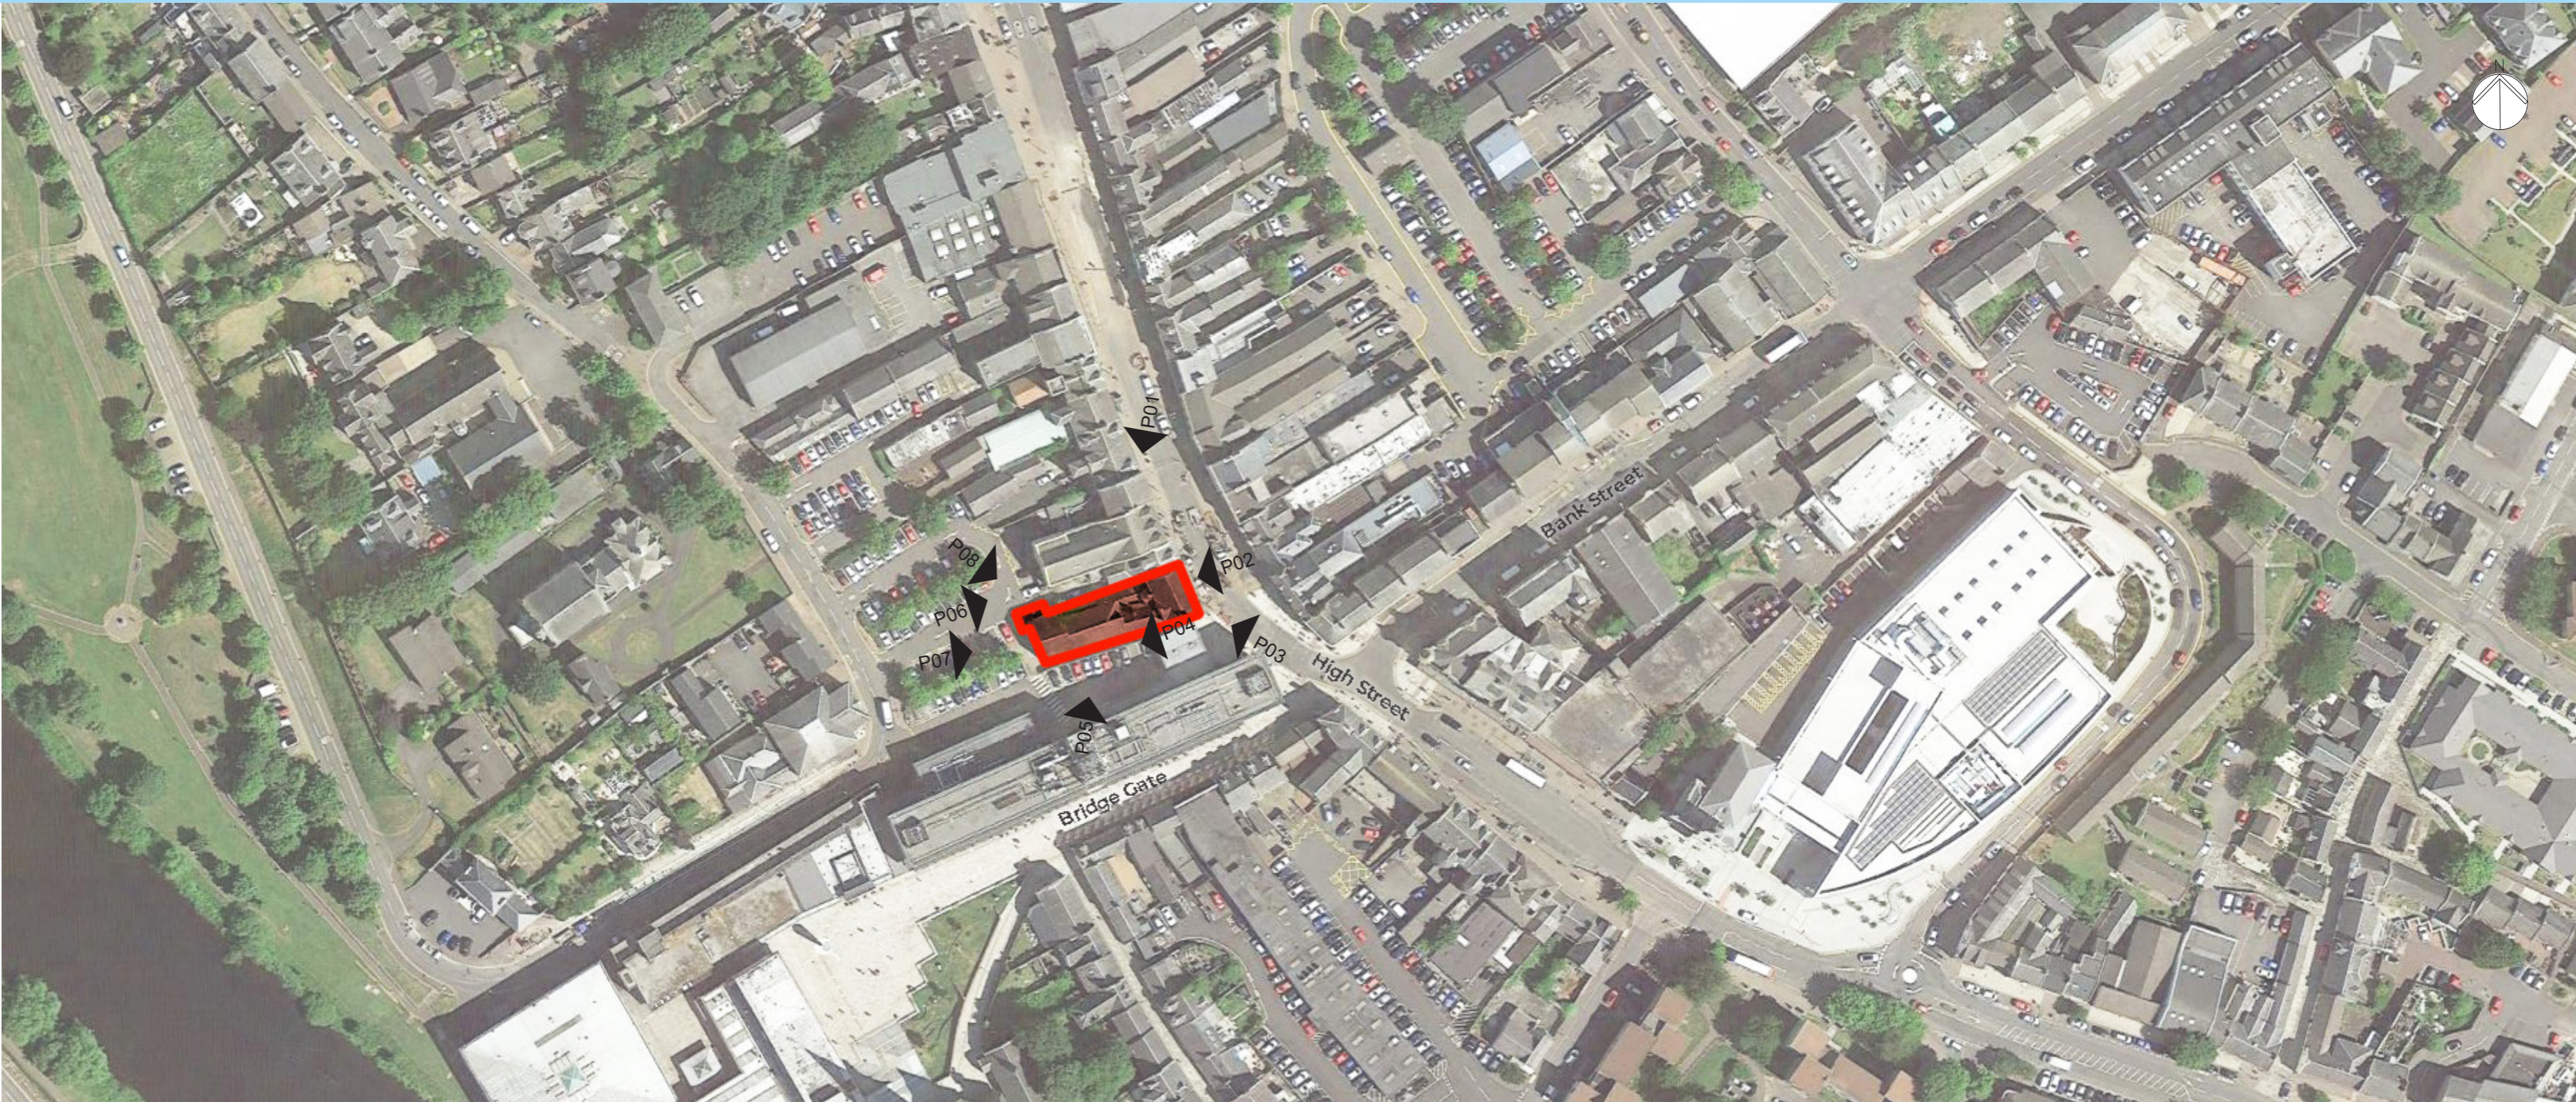

CONSULTATION

Further to the draft plans consultation event held in winter 2021, the Council is holding a consultation event to allow local people and interested parties to view the final plans for the development.

You can view and comment on these plans from **Monday 26 September 2022** until **Friday 28 October 2022**.

PLANNING APPLICATION

The Council obtained planning consent for the site on 23 February 2022

REDEVELOPMENT OF FORMER KING'S ARMS HOTEL, IRVINE

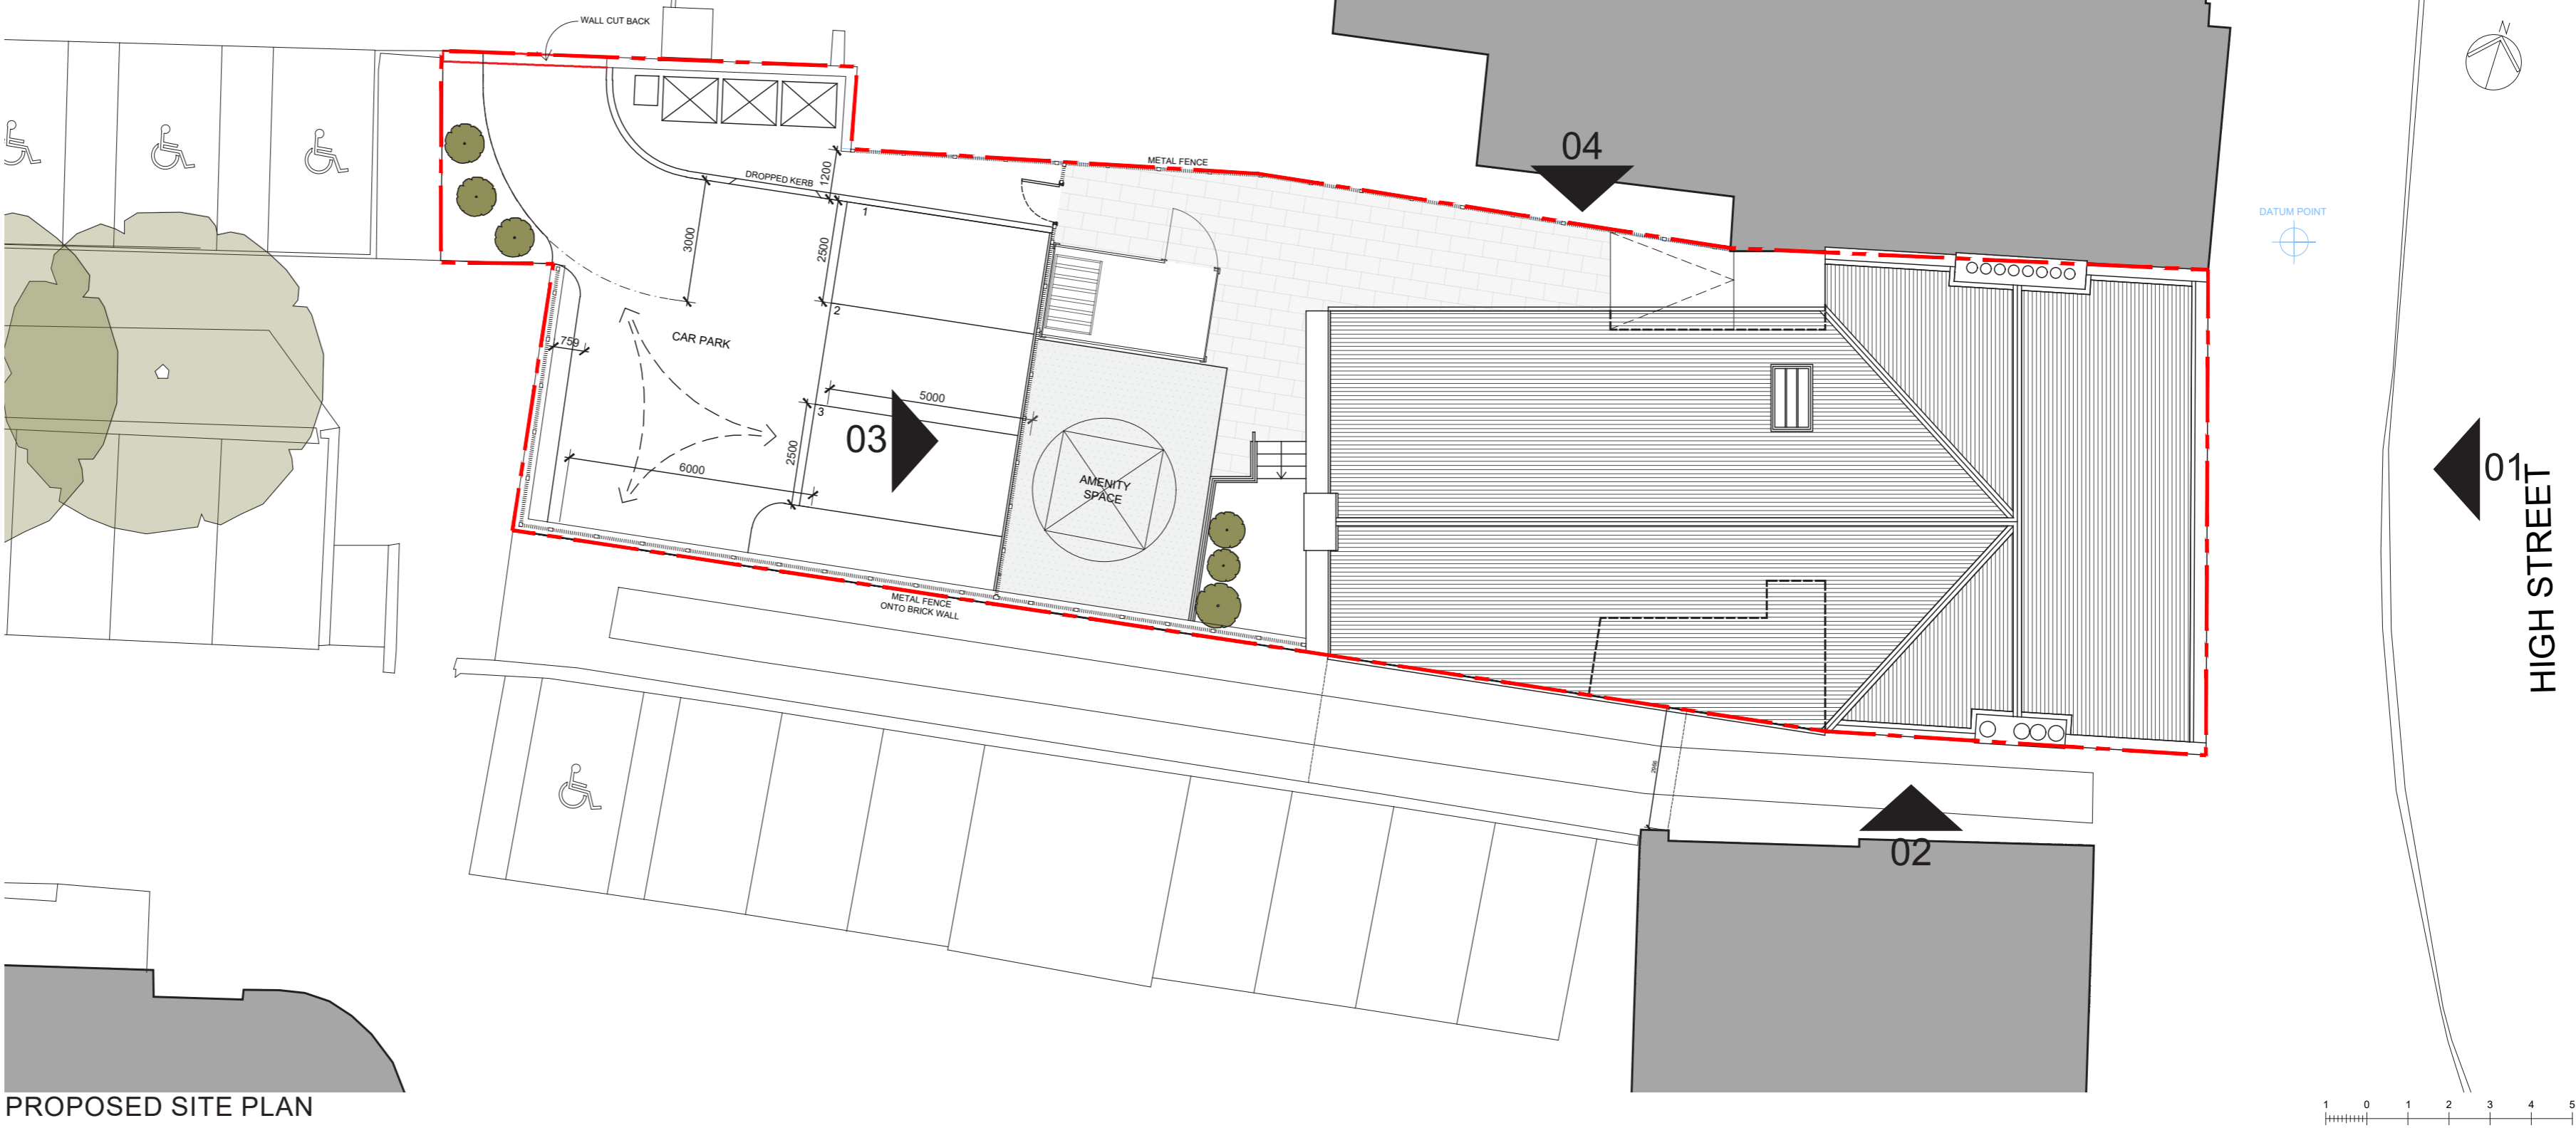

DESIGN PROPOSAL

The original three storey block will be retained and significantly renovated to form three two bedroom flats. The rear extensions have been demolished and three new one bedroom homes will be created in their place. The new extension is linked to the main block by a circulation space including a stair and lift. The new block will feature rendered masonry, similar in character to the original building to visually link the site.

The entrance will be set back from the lane, to create space for a ramp. The kitchen windows will overlook the entrance to allow passive surveillance. Glazing above the main entrance door will introduce light into the circulation space.

The demolition of the rear extensions provide space for car parking, amenity space, bike and refuse storage. New external lighting will be installed along Chapel Lane and the car park and path to the rear entrance will be well lit with external lighting.

The flats will benefit from enlarged bathroom areas and provision will be made for future hoists.

PROPOSED SITE PLAN

PROPOSED ELEVATIONS

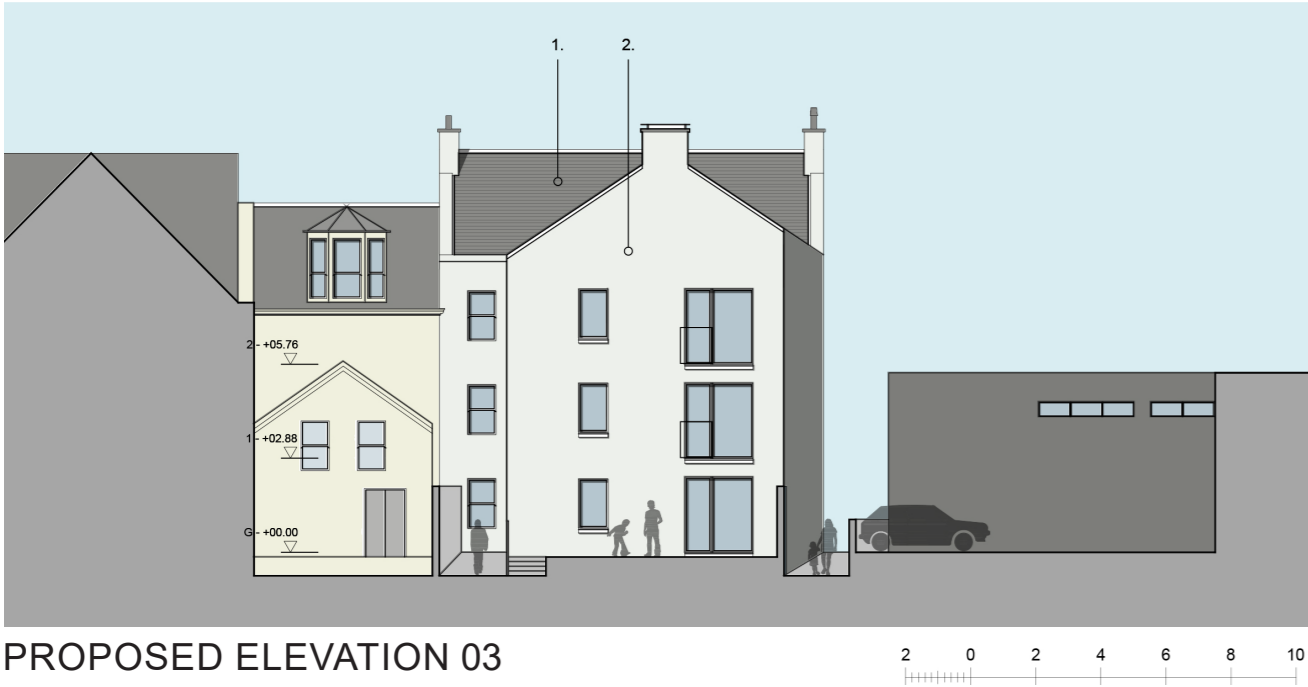

PROPOSED ELEVATION 01

ELEVATION KEY

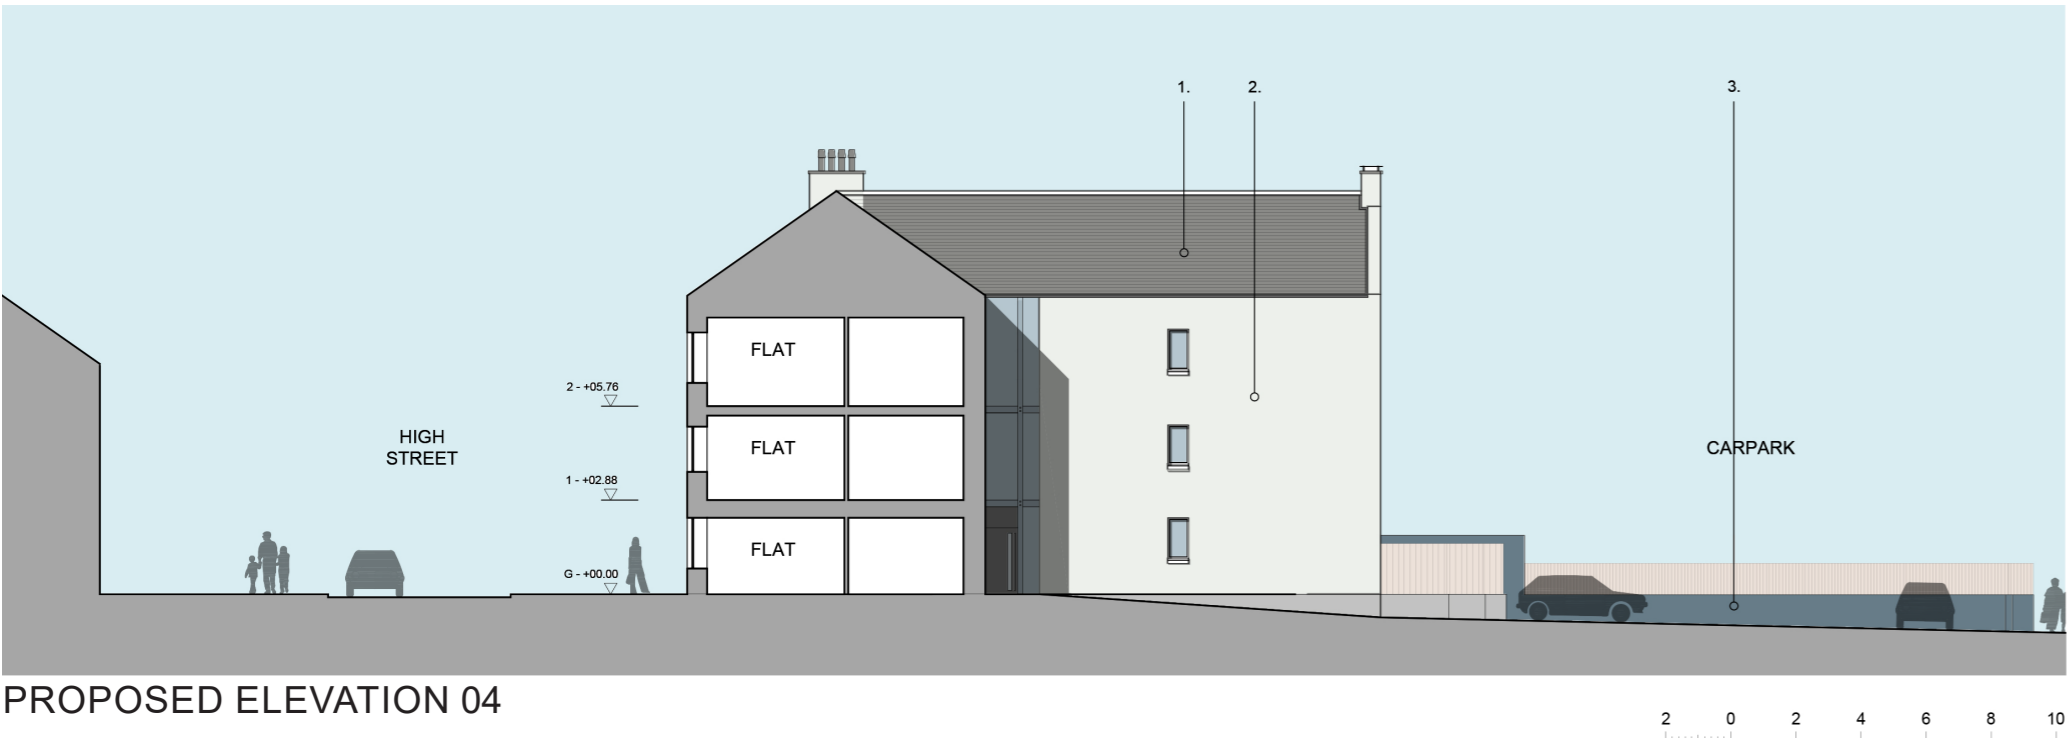

- 1 Natural Slate Roof to match Existing Building
- 2 Rendered Wall
- 3 Dark Blue Facing Brick
- 4 Existing Walls re-rendered

FLAT TYPE KEY

- Type A - 1 bedroom flat GIFA : 48.8 m²
- Type B - 2 bedroom flat GIFA : 72.1 m²

FINAL PLANS CONSULTATION

SEPTEMBER / OCTOBER 2022

FREQUENTLY ASKED QUESTIONS

1. What is the purpose of the consultation?

The consultation event is being held to allow local residents and interested parties the opportunity to view the final plans for the former Kings Arms Hotel, Irvine

2. When will the construction works start?

Exact timescales will be confirmed once the main contractor is appointed however, it is currently anticipated that works will commence in spring 2023 and complete in winter 2024.

3. What times will the site operate?

It is anticipated that works will be undertaken between 8am and 6pm, Monday to Friday and 8am to 1pm on a Saturday. Additional weekend working may be permitted, from time to time, upon agreement with North Ayrshire Council.

If weekend working is approved, the Council will work with the contractor to ensure that disruption to local residents is kept to a minimum. The working time arrangements will be confirmed when the main contractor has been appointed, and this will be confirmed to local residents when they are invited to 'Meet the Builder'.

4. How will site traffic be managed?

During the construction works there will be added vehicle movements associated with the site. The main contractor for the development will prepare a Traffic Management Plan which will be approved by the Council. This outlines all vehicle movements, frequencies and parking provision for site staff. The Council will work closely with the contractor to minimise the effects of this on the local road network.

The Council will also ensure that the contractor reaches a mutually agreeable solution with local residents in order to maintain access and egress to their properties at all times throughout the works.

5. Will Chapel Lane be closed during the construction works?

Yes, Chapel Lane will be closed during construction in order to have the works safely undertaken. The Council will work with the contractor when they are appointed to ensure that the lane is only closed when necessary and to reduce the impact of any closures on surrounding residents and businesses

6. Will there be new job opportunities created and will local people benefit? The main contractor will be required to sign up to the Council's 'Community Benefits Policy'. As part of this policy, the contractor will provide training opportunities and utilise local suppliers and tradespeople where possible.

7. What parking provision has been made for the site? There are 3 parking spaces for the development. These are not allocated to individual flats and will be for the use of the new residents.

8. Who will live in the new homes? The homes will be allocated through the North Ayrshire Housing Register in line with the North Ayrshire Housing Allocation Policy. Priority is given to applicants with the greatest housing need. Our experience confirms that, generally, housing applicants seek to remain in the area they currently reside in due to family, employment and other connections.

The Council and our Registered Social Landlord partners are developing extensively throughout North Ayrshire and new housing will also be available in other localities.
