

DRAFT PLAN CONSULTATION SEPTEMBER / OCTOBER 2022**INTRODUCTION**

North Ayrshire Council is planning to build 189 new homes at Montgomerie Park, Irvine. The development will provide a mix of general needs properties, homes suitable for wheelchair users and amenity bungalows.

CONSULTATION

The Council is holding a consultation event to allow local people and interested parties to view the draft plans for the development. You can view and comment on the plans from Monday 26 September 2022 until Friday 28 October 2022.

CERTIFICATE OF LAWFUL DEVELOPMENT

The Council does not require full Planning Consent for this development as it falls within permitted development rights. Permitted development enables local authorities to carry out works, within their district, for the erection of dwellings so long as the development conforms with the Local Development Plan. The Council will obtain a 'Certificate of Lawfulness' from the Council's Planning Service to certify that the site has been considered against the full terms of the adopted Local Development Plan.

DRAFT PLAN CONSULTATION SEPTEMBER / OCTOBER 2022

FREQUENTLY ASKED QUESTIONS

1. What is the purpose of the consultation?

To allow local residents and interested parties the chance to view and comment on the draft plans for the site.

2. When will the construction works start?

Exact timescales will be confirmed to local residents when they are invited to 'Meet the Builder', it is currently anticipated that works will commence in summer 2023 and complete in winter 2026.

3. What times will the site operate?

It is anticipated that works will be undertaken between 8am and 6pm, Monday to Friday and 8am to 1pm on a Saturday. Additional weekend working may be permitted, from time to time, upon agreement with North Ayrshire Council.

If weekend working is approved, the Council will work with the contractor to ensure that disruption to local residents is kept to a minimum. The working time arrangements will be confirmed to local residents when they are invited to 'Meet the Builder'.

4. How will site traffic be managed?

During the construction works there will be added vehicle movements associated with the site. The main contractor for the development will prepare a Traffic Management Plan which will be approved by the Council. This outlines all vehicle movements, frequencies, and parking provision for site staff. The Council will work closely with the contractor to minimise the effects of this on the local road network.

The Council will also ensure that the contractor reaches a mutually agreeable solution with local residents in order to maintain access and egress to their properties at all times throughout the works.

5. Will there be new job opportunities created and will local people benefit?

The main contractor will be required to sign up to the Council's 'Community Benefits Policy'. As part of this policy, the contractor will provide training opportunities and utilise local suppliers and tradespeople where possible.

6. What parking provision has been made for the site?

Parking has been maximised in the site; there are 44 visitor parking spaces included across the site and each property also has in-curtilage driveway parking.

7. Who will live in the new homes?

The homes will be allocated through the North Ayrshire Housing Register in line with the North Ayrshire Housing Allocation Policy. Priority is given to applicants with the greatest housing need. Our experience confirms that, generally, housing applicants seek to remain in the area they currently reside in due to family, employment and other connections.

The Council and our Registered Social Landlord partners are developing extensively throughout North Ayrshire and new housing will also be available in other localities.
