- 4.3** Adequate provision will be made to allow for members to attend a meeting of the Locality Partnership or a Working Group of the Locality Partnership, either by being present together with other members in a specified place, or in any other way which enables members to participate despite not being present with other members in a specified place. An appropriate venue may include a meeting held on a wholly remote basis by electronic means or in circumstances whereby some members attend in person and others take part via remote means.

#### **5. Notice of Meeting**

- 5.1** Before every meeting of the Locality Partnership, or Working Group, a notice of the meeting, specifying the time, place and business to be transacted at it and signed by the Chair, or by a Member authorised by the Chair to sign on that person's behalf, shall be issued by electronic means to all Members no

Alternatively an officer of the bodies attending the Locality Partnership may have authority delegated by their parent organisation to implement the recommendation without further decision by their parent organisation. It is expected that this will normally be the case in relation to Locality Partnership grant determinations made within the scope of the relevant grant scheme, with specific arrangements in place for Arran in this regard in relation to financial decisions.
- 7.2** The business of the Locality Partnership is to develop, review and implement the priorities of the Locality Plan for its area, and as part of this to undertake the functions detailed in Appendix A. Community Planning Partners or other

organisations may in due course, delegate further specific powers to Locality Partnerships.

- 7.3** There will be a standing item in relation to reports from the locality Youth Forum on each Locality Partnership agenda. Representatives from the relevant Youth Forum will attend the Locality Partnership meeting to speak to the report. Equally, there will also be standing item in relation to reports from Locality Partnerships on the locality Youth Forum agenda, with Locality Partnership representation to provide an update on Partnership activity.
- 7.4** CPP partners will convene and attend regular (quarterly) locality network meetings to support community partners and communities and this will be reported to Locality Partnerships as a standing item on the agenda.
- 7.5** Each Locality shall have a separate Health and Social Care Locality Forum as a specialist group within each Locality. Its function is to prepare a Locality Plan for health and social care integration functions in each locality, and forms part of the Integration Joint Board's (IJB) Strategic Plan. This IJB Locality Plan will form the health and social care component of the relevant Locality Partnership Plan. Any issues exclusively relating to health and social care will generally be remitted by the Locality Partnership to the Health and Social Care Locality Forum for consideration. In turn, the Health and Social Care Locality Forum may also remit wider issues to the Locality Partnership for discussion. There will also be a standing item on the Locality Partnership agenda on the progress of the Health and Social Care Locality Plans. Any wider issues which involve health and social care, or health and social care issues which are not addressed in the HSCP Locality Plan will be actioned through the Locality Partnership Plan. In a similar way, it is expected that the priorities of the Locality Plans will be reflected in the strategic and local plans of CPP partners. It is open to a Locality Partnership and a Health and Social Care Locality Forum for the same Locality to combine into a single body, should this be agreed by the two bodies, North Ayrshire Council and NHS Ayrshire and Arran.

## **8. Procedure for Dealing with Items of Business**

- 8.1** Every effort shall be made by the Chair and Members to ensure that as many decisions as possible are made by consensus.
- 8.2** Report authors will speak to the terms of any report drafted by them which is on the agenda for a meeting. Thereafter it will be open to any Member to ask a question or questions concerning the item of business under consideration. Such questions must be relevant to the item of business under consideration and may be directed to any Member or officer seeking clarification of the terms of a report
- 8.3** When the Chair is satisfied that there are no more questions to be raised he or she will invite the Locality Partnership to discuss the item of business. Such discussion must be relevant to the item of business and should attempt to achieve a decision by consensus. As part of the Chair's role to manage the

meeting, the Chair shall attempt to ensure that Members who wish to speak have a fair opportunity to do so. The Chair shall have power to determine when Members can speak and will determine the number of occasions and length of time that a Member is able to speak.

- 8.4** When the Chair is satisfied that a decision can be made by consensus he or she will clarify the terms of that decision with the Locality Partnership.

## **9. Procedure where there is no Unanimous Decision**

- 9.1** If the Chair is satisfied that a decision cannot be made by consensus, he or she will invite those of differing views to state the decision they wish the Locality Partnership to make. The first such statement will be known as the motion. Any member may seek an amendment to the motion. Any motion and amendment must relate to the item of business under discussion. No motion or amendment will be accepted unless it is seconded. It will be open to any Member to ask a question or questions to the mover of any motion or amendment seeking clarity of their motion or amendment.

- 9.2** In the event that discussion on any item has exceeded 30 minutes it will be open to any Voting Member to propose a motion. If this is not seconded the motion will fall and discussion shall continue. If it is seconded, the Chair will ascertain if there are any amendments, which also require to be seconded.

- 9.3** Non-voting members can propose or second a motion or amendment and speak to its terms, but cannot vote on it

- 9.4** Debate: when the Chair is satisfied that there are no more amendments to be raised he or she will state that Locality Partnership is in debate.

- 9.5** Subject to the right of the mover of a motion, and the mover of an amendment, to reply, no Member will speak more than once on the same question at any meeting of the Locality Partnership except:

- On a question of Order;
- With the permission of the Chair; or
- In explanation or to clear up a misunderstanding in some material part of his/her speech.

- 9.6** The mover of an amendment and thereafter the mover of the motion will have the right of reply for a period of not more than 3 minutes. He/she will introduce no new matter and once a reply is commenced, no other Member will speak on the subject of debate. Thereafter the discussion will be held closed and the Chair will call for the vote to be taken.

## **10. Voting**

- 10.1** Where a decision cannot be made by consensus in terms of standing order 8, then only Elected Members and Community members shall be entitled to vote,

except in relation to the awarding of grants, where only the Member or Members representing the body whose function is to be exercised (e.g. the Council) shall be entitled to vote.

- 10.2** Any decision requiring a vote will be determined by a majority of votes of the Members present and who are entitled to vote on the question. Voting shall be by a show of hands, except where the meeting is being held via a remote meeting platform, when the name of each member voting or declining to vote shall be recorded in the minute by calling the roll of the members. In the case of an equality of votes the Chair shall have a second or casting vote. As the purpose of the Chair's second or casting vote is to break a deadlock, they can cast it whichever way they choose, including casting it differently from their earlier substantive vote. For the avoidance of doubt, the Chair is not required to cast their second or casting vote in favour of the status quo.
- 10.3** On Arran, which is a single member constituency, all LP members will have a vote, including for financial decisions. In relation to financial decisions, where the elected member agrees with the majority vote for a financial decision then that decision stands. However, if the elected member does not agree with the majority vote then the decision must be referred to Cabinet for ratification. If the LP Chair (the elected member) is not present at a meeting then any financial decisions must be deferred to the next meeting or referred to Cabinet.

- 11.2** If any Member has a financial or non-financial interest as defined in the Code of Conduct of Members of Devolved Public Bodies and is present at any meeting at which the matter is to be considered, he/she must as soon as practical, after the meeting starts, disclose that he/she has an interest and the nature of that interest and if he/she is precluded from taking part in consideration of that matter.
- 11.3** If a Member or any associate of theirs has any pecuniary or any other interest direct or indirect, in any contract or proposed contract or other matter and that Member is present at a meeting of the Locality Partnership, that Member shall disclose the fact and the nature of the relevant interest and shall not be entitled to vote on any question with respect to it. A Member shall not be treated as having any interest in any contract or matter if it cannot reasonably be regarded as likely to significantly affect or influence the voting by that Member on any question with respect to that contract or matter.

- 11.4** Where an interest is disclosed, the other members present at the meeting in question must decide whether the member declaring the interest is to be prohibited from taking part in discussion of or voting on the item of business.
- 11.5** Complaints that a member has breached the Code of Conduct of Members of Devolved Public Bodies will be determined by the Locality Partnership or a Working Group set up under Standing Order 19. The complainer must identify the specific provision of the Code which has been breached and why it has been breached, failing which the Senior Lead Officer may advise that the complaint should not be further considered. If the Locality Partnership proceed to a hearing to determine the complaint, it should ensure (a) that members directly involved in the complaint are not members of the meeting which determines the complaint; (b) give to the member who is being complained about fair notice of the subject matter of the complaint and (c) provide the complainer and the member complained about an opportunity to address the meeting. If the Locality Partnership uphold the complaint they can (a) make recommendations to the body who appointed the member to either replace or suspend the member or (b) subject to the approval of the Senior Lead Officer, suspend the member from attending meetings of the Locality Partnership for a period of up to one year.

## **12. Adjournment of Meetings**

- 12.1** A meeting of the Locality Partnership may be adjourned to another date, time or place by a motion, which shall be moved and seconded and put to the meeting without discussion. Alternatively, and subject to obtaining Data Protection agreement of those present, a Locality Partnership may agree to live-stream or subsequently publish the meeting.

**15.2** The Locality Partnership may by resolution at any meeting exclude the press and public during consideration of an item of business where it is likely in view of the nature of the business to be transacted or of the nature of the proceedings, that if members of the press and public were present there would be a disclosure to them of exempt information as defined in Schedule 7(A) of the Local Government (Scotland) Act 1973 Act, or it is likely that confidential information would be disclosed in breach of an obligation of confidence. The categories of exemption, which may apply under Schedule 7(A) of the 1973 Act, are set out in Appendix B
