## Free Summer Activities for Children & Young People

This summer, children and young people aged 3–26 can enjoy a wide range of **free opportunities to get active, try new sports, and have fun locally** as part of the **2026 Summer of Sport**.

Funded by the **Scottish Government** as part of an **£18 million national investment**, and delivered by **sportscotland – the national agency for sport** – Summer of Sport brings together local authorities, clubs and community partners to create **inclusive, accessible activities right on your doorstep**

The programme is designed to **remove barriers to participation**, helping young people build confidence, make new friends, improve wellbeing and develop a lifelong love of being active.

A wide variety of activities will take place across communities throughout the summer, with **specific sessions, venues and times listed for each local area**. To find out what's happening near you, scan the **QR codes or contact the email addresses** provided to access full details and booking information.

Don't miss out – **it's Game On this summer**
